

# Teen LGBTQIA+ Support Group

## Make connections and Find Support!

### The FCS Compass Group Is Here for You

Workplace concerns. Bullying at school. Relationship worries. Harassment. Family conflict. Health risks. Discrimination. Finding acceptance. Members of the LGBTQIA+ community all face challenges, but no one has to face them alone.

### FCS Compass Groups Can Help

Compass groups are a safe and inclusive space for those who identify as LGBTQIA+ or allies to talk about issues including relationships, risky behaviors, inclusion, and identity. Join us to make connections, find support, learn how to live your most authentic life, and advocate for yourself in the community, workplace and school.

### Education, Support, and Self-Discovery

Compass groups are free and open to teens. They are planned and led by Family & Children's Services staff. The meetings are at the Family & Children's Services office where you can come as you are and leave as you want to be.

Join us on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of each month

Starts October 16, 2024 • 5:00 pm to 6:15 pm
